MEET OUR DESIGN ICONS

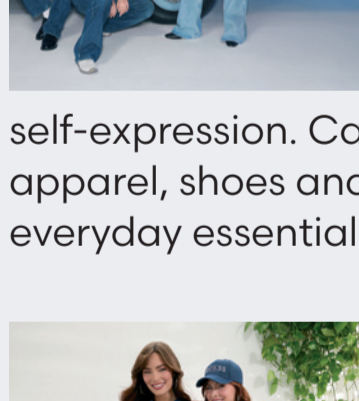

BOSS Outlet store is home to HUGO BOSS' two brands BOSS and HUGO. The two brands are clearly distinguished by their fashionable style but meet the same high standards of quality and fit, innovation and sustainability.

In addition to classic business outfits, BOSS also offers casual styles and athleisure wear. With the HUGO brand, trendsetters and style individualists can make confident statements with cool and progressive looks.

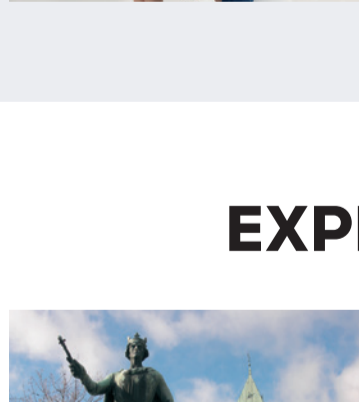

ECCO's philosophy has always been to make shoes that are shaped to fit the foot, and not the other way around. It all began in 1963 with Karl Toosbuy's dream to create a shoe company driven by the Scandinavian design

philosophy of form follows function. From design to production and retail, ECCO applies the utmost attention to detail. Building their success on uncompromising quality, innovative technology and design.

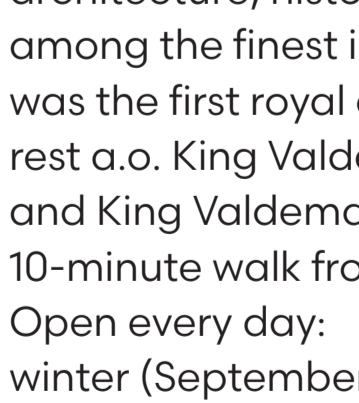

CALVIN KLEIN is a prominent global fashion brand with a rich history of breaking boundaries. Established in 1968 in New York, the brand's product design and communication reflect a minimalist and sensual aesthetic that celebrates limitless

self-expression. Calvin Klein also delivers designer apparel, shoes and underwear that aim to elevate everyday essentials.

GUESS started producing jeans in 1981 and has since grown into a global lifestyle brand. Today GUESS designs, markets and sells a wide collection of modern clothing, denim, bags, watches and shoes for both men, women and children.

EXPLORE RINGSTED

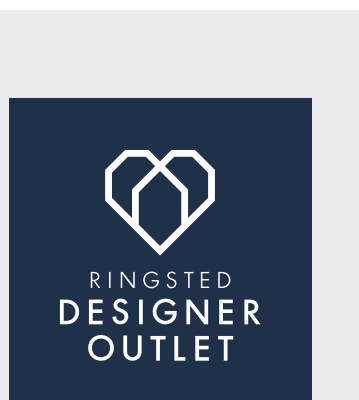

The Church of St. Bendt

The Church of St. Bendt is the oldest brick church in Scandinavia. From 1182 to 1341 Danish kings and queens were buried in the Church of St. Bendt, which, in terms of architecture, history, and sepulchral monuments, is among the finest in the country. The Church of St. Bendt was the first royal church in Denmark, and in Ringsted rest a.o. King Valdemar The Great, Queen Dagmar and King Valdemar Sej. The church is situated just a 10-minute walk from Ringsted Outlet.
Open every day:
winter (September 1st to April 30th) 10.00-13.00 and
summer (May 1st to August 31st) 10.00-16.00.

Skjoldenæsholm Tram Museum

Take a ride on one of the trams into the woods and enjoy your picnic at the tables and benches along the stops. At the museum you will find trams on display from Copenhagen, Aarhus, Odense and some foreign cities, including the Melbourne tram, which was a gift from Australia to the Danish King and Queen on the occasion of the birth of Crown Prince Christian. The museum owns more than 100 trams, about half of which have been restored and are now on display.
