

ADIDAS OUTLET STORE

PART-TIME STOCKROOM SPECIALIST

2 positions available | 20 hours per week | Ringsted Factory Outlet, Denmark

We are seeking two experienced and passionate Stockroom Specialists to join our adidas Ringsted Factory Outlet on a part-time basis, working 20 hours per week each.

As one of the leading sports brands globally, adidas has been built on a vision that our passion for sport makes the world a better place. We lead through innovation in our product performance technologies, Originals fashion, and our commitment to developing and growing our most important asset: our people.

At adidas Ringsted Factory Outlet, we are looking for motivated team members who want to grow their career with a global sports retailer and help deliver a premium shopping experience to our consumers.

What's on offer?

Competitive salary

Retail bonus scheme

Generous employee discounts on adidas products

Career development with an iconic global sports brand

Responsibilities include assisting the Store Manager and Assistant Store Manager in:

Supporting day-to-day stockroom operations, logistics, inventory management, and stock-to-floor execution

Ensuring stock availability to support a premium factory outlet experience

Maintaining a clean, organized, and efficient stockroom environment

Supporting the management team with stockroom operational needs and inventory accuracy

Representing the adidas brand and values in an inspiring and impactful way

Ensuring compliance with adidas operational processes, policies, and standards

Supporting the store team in achieving sales and service goals

Experience in the following will be highly regarded:

Previous retail or stockroom experience

Inventory management and stockroom procedures

Experience in sports, fashion, or footwear retail environments

How do I apply?

Please send your application and CV to: DK_adidas_FO_Ringsted@adidas.com

Please note: Applicants must have legal rights to work in Denmark.

No relocation or visa support is offered for these roles.
